Paul Henry Carr
Paul had 8 sisters.

He was very strong.

in college he was
the center. That is very

tuff. He got

called for war.

it was World War Two.

He put on his

navy suit. His heart

was pumping. He was

on the days and nights. The

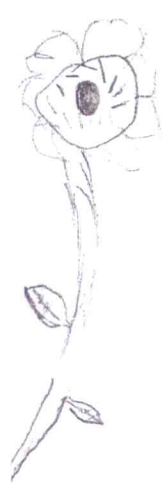

first shot fired. It

hit Paul in the gut

he didn't die of it.

he crawled to the cannon

one of his soldiers pulled him

bad +
for 4

no

back. When he
got the medicine.
his eyes were
amazed... He was
crawling to the gun
ship his partners
pulled him back. He
crawled back again. He
kept on until his
ship was sinking.
He picked up a
big bomb. The machine
was broken. He fired it.
The Japanese ship
fired. It hit Paul
in the gut. His

gut was dripping
blood. He picked up the
bomb with one hand
on the bomb. And
The other hand, with
his right hand he
put it in it and
fired it... It hit
it. the Japanese
ship sanked. I'm
his grate grate
grate nephew.
